

Deposit & Withdrawal Policy

1. Introduction

This Deposit & Withdrawal Policy governs all funding and withdrawal transactions conducted through Swisdex ("Swisdex", "Company", "we", "our", or "us").

By opening an account and using Swisdex services, clients agree to comply with this Deposit & Withdrawal Policy, as well as the Company's Terms & Conditions, AML Policy, and KYC requirements.

2. Supported Payment Methods

Swisdex currently supports ****Cryptocurrency Deposits and Withdrawals Only****.

Supported cryptocurrencies may include, but are not limited to:

- * Bitcoin (BTC)
- * Ethereum (ETH)
- * Tether (USDT)
- * USD Coin (USDC)
- * Other cryptocurrencies approved by Swisdex

Swisdex does not currently support:

- * Bank Transfers
- * Credit Cards
- * Debit Cards
- * UPI Payments
- * Third-Party Payment Processors not approved by Swisdex

The list of supported cryptocurrencies may be updated at any time without prior notice.

3. Cryptocurrency Deposits

3.1 Deposit Wallet Address

Clients must send cryptocurrency only to the wallet address generated inside their Swisdex Client Portal.

3.2 Deposit Confirmation

Deposits are credited after the required blockchain network confirmations are completed.

Confirmation times depend on:

- * Blockchain network congestion
- * Cryptocurrency type
- * Network transaction fees

3.3 Correct Network Usage

Clients are solely responsible for selecting the correct blockchain network when sending funds.

Examples:

- * USDT (TRC20)
- * USDT (ERC20)
- * USDT (BEP20)

Sending funds through an unsupported network may result in permanent loss of funds.

3.4 Minimum Deposit

Minimum deposit requirements are displayed in the Client Portal and may change without notice.

4. Cryptocurrency Withdrawals

4.1 Withdrawal Requests

Withdrawal requests must be submitted through the official Swisdex Client Portal.

4.2 Security Verification

Swisdex may require:

- * KYC Verification
- * Identity Verification
- * Security Confirmation
- * Additional compliance checks

before processing withdrawals.

4.3 Processing Time

Approved withdrawal requests are generally processed within 24 business hours.

Actual receipt times depend on:

- * Blockchain network conditions
- * Cryptocurrency selected
- * Required network confirmations

4.4 Withdrawal Wallet Ownership

Clients are responsible for providing the correct wallet address.

Swisdex is not responsible for losses resulting from:

- * Incorrect wallet addresses
- * Unsupported wallets
- * Wrong blockchain networks
- * User input errors

Transactions confirmed on the blockchain cannot be reversed.

5. Account Verification (KYC)

Before deposits are available for trading and before withdrawals are approved, clients may be required to complete identity verification procedures.

Required documents may include:

- * Government-issued Photo ID
- * Proof of Address
- * Selfie Verification
- * Additional documents requested by Compliance

Swisdex reserves the right to restrict account functionality until verification requirements are completed.

6. Anti-Money Laundering (AML)

Swisdex maintains strict AML and Counter-Terrorist Financing procedures.

The Company reserves the right to:

- * Request proof of source of funds
- * Request blockchain transaction evidence
- * Delay transactions pending compliance review
- * Reject suspicious transactions
- * Freeze accounts involved in unlawful activities
- * Report suspicious activity to relevant authorities where required

7. Third-Party Payments

Swisdex does not permit third-party deposits or withdrawals.

The registered account holder must be the beneficial owner of all funds transferred to and from the trading account.

Any suspected third-party transaction may result in:

- * Transaction rejection
- * Account suspension
- * Compliance review
- * Account closure

8. Withdrawal Restrictions

Swisdex reserves the right to decline or delay withdrawals in the following circumstances:

- * Incomplete KYC verification
- * Ongoing AML review
- * Security concerns
- * Suspected fraud
- * Violation of Terms & Conditions
- * Account disputes
- * Technical issues beyond the Company's control

9. Internal Transfers

Transfers between client accounts may be permitted only upon approval by Swisdex Compliance and Operations Departments.

Additional verification may be required before approval.

10. Refund Policy

10.1 Refund Eligibility

Clients who have deposited funds but have not engaged in any trading activity may request a refund within 24 hours of the original deposit.

10.2 Review Process

Refund requests are reviewed on a case-by-case basis and may require identity verification.

10.3 Non-Refundable Situations

Refunds will not be available where:

- * Trading activity has occurred
- * Positions have been opened or closed
- * Bonus abuse is suspected
- * AML concerns exist

10.4 Refund Destination

Approved refunds will be returned only to the original cryptocurrency wallet used for the deposit whenever technically possible.

11. Fees

Swisdex may charge withdrawal fees, blockchain network fees, or processing fees where applicable.

Current fees are displayed within the Client Portal and may change without prior notice.

12. Disputes and Complaints

Any dispute relating to deposits, withdrawals, refunds, or payment processing must be submitted in writing to:

****Email:**** [support@swisdex.com]

****Subject:**** Deposit & Withdrawal Complaint

Complaints will be handled according to the Swisdex Complaints and Dispute Resolution Policy.

13. Risk Warning

Cryptocurrency transactions are irreversible and subject to blockchain network risks, volatility, and technical limitations.

Clients are responsible for verifying wallet addresses, network selections, and transaction details before submitting any transfer.

Swisdex shall not be liable for losses resulting from client errors, blockchain failures, or third-party wallet service disruptions.

14. Policy Updates

Swisdex reserves the right to amend, modify, or replace this Deposit & Withdrawal Policy at any time.

Any updates will become effective immediately upon publication on the Swisdex website.

Continued use of Swisdex services constitutes acceptance of any revised policy.
